RE: Senior Full Stack Engineer

Dear Hiring Manager,

I am excited to apply for the Senior Software Engineer position you recently posted on Jobstreet. Having read through the job requirements, I believe I am qualified for the role and will be able to exceed your expectations.

Skilled Senior Full Stack Engineer with 6 years of experience in the industry. Highly adept at handling various responsibilities by prioritizing my tasks, establishing clear deadlines and finding creative solutions to eliminate obstacles. My experience has equipped me with the necessary tools to succeed in this position:

- UI & Database Design Planning
- Software Development
- Programming

While I am grateful for the opportunities afforded to me in my prior position, I am ready to embark on a new career path that offers new challenges for me to put my skills to use.

Please take a look at my enclosed resume for more details about my work experience and qualifications. I'd really like to speak with you more about the position, and I look forward to hearing from you soon.

Sincerely,

Jeyalakshmi Ramamoorthy
